STEWARDSHIP SPOTLIGHT

From Gratitude Flows Generosity

Be Prepared

"If the master of the house had known the hour of night when the thief was coming, he would have stayed awake and not let his house be broken into, So to you also must be prepared, for at an hour you do not expect, the Son of Man will come."

Derived from the Latin word "adventus," Advent means "coming" or "arrival." With great hope, we anticipate the arrival of our Lord and Savior born to us as the light of the world at Christmas; and also at the end of time when he comes again. We pray, we repent, we give of ourselves more faithfully, and we make more room in our hearts for the holy and living presence of Jesus Christ. Advent is a season to practice a greater focus on staying awake to help us be prepared for the coming of Jesus Christ in every moment of our lives.

Petition:

That we may prepare our hearts for the coming of the Lord Jesus Christ, who is our constant and forever hope, we pray....

Stewardship: Grace In Action

This Advent, let's prepare together — not only with candles and prayers, but with lives that reflect the hope we proclaim. Ask yourself:

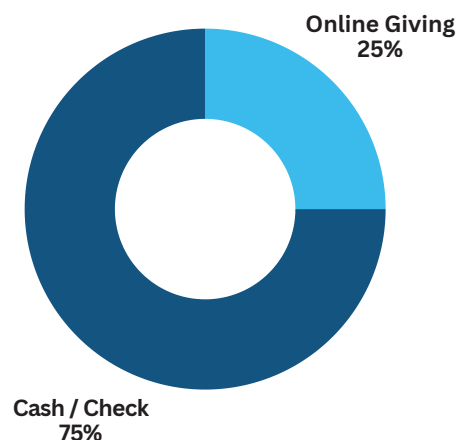

- **Where is God asking me to give more faithfully?**
Not just from surplus, but from trust.
- **Who needs my presence and care right now?**
A neighbor, a ministry, a family in hardship, a lonely soul.
- **What part of my heart have I kept closed?**
Advent is a grace-filled moment to reopen it.

Stewardship isn't only about resources.

It's about readiness. It's how we stay spiritually awake.

How Will You Be A Good Steward?

Advent is short, but it is powerful. Christ is coming — in glory at the end of time, yes, but also in the ordinary hours of our days. Let's not miss Him by being distracted or hesitant.

Stay awake. Prepare your heart.

Live Stewardship boldly.

ST. NICHOLAS, DEFENDER OF TRUTH AND CHARITY

By Joey Langenbach

Saint Nicholas lived in the fourth century. He served as the Bishop of Myra, which is in present day Turkey. Historical accounts show strong leadership, direct action, and deep faith. His life shaped Christian practice for centuries. His name became linked to generosity, protection, and care for the poor.

Nicholas was born into a Christian family. His parents died when he was young. He inherited their wealth and distributed it to those in need. Stories about these gifts spread through Christian communities. Many families remember the account of Nicholas providing dowries for three young women who lacked money for marriage. He did this in secret. He aimed to shield them from harm and protect their dignity. This is why he is known as a patron of children and the poor.

Nicholas defended the faith during a period of conflict. In the early Church, leaders gathered to address false teaching. One of the most serious errors came from Arius. Arius taught that Christ was not equal to the Father. This teaching denied the full divinity of Jesus. The Council of Nicaea met in the year 325 to resolve the dispute. Tradition holds that Nicholas confronted Arius in person. Reports state that Nicholas struck Arius across the face. His action expressed a firm rejection of the teaching. The council later affirmed the full divinity of Christ in the Nicene Creed, which we profess at Mass. The story of Nicholas and Arius shows a bishop who protected the truth of the Gospel with conviction. Nicholas faced imprisonment during earlier persecutions of Christians. Records show that he suffered for the faith but did not abandon his ministry. His endurance encouraged many believers in his region. He returned to his duties after the persecution ended and continued to guide his flock.

After his death, devotion to Nicholas spread across Europe. Churches were dedicated in his honor. Sailors, families, merchants, and children sought his intercession. Over time, different cultures developed customs connected to his generosity. These traditions shaped popular celebrations in December in many nations.

The Feast of Saint Nicholas invites reflection on two themes. The first is charity. Nicholas shared his wealth and supported the weak. The second is fidelity to truth. Nicholas defended the divinity of Christ even when strong opposition rose around him.

As you prepare for the Advent season, give attention to these two examples. Give to those who lack support. Hold firm to the faith that Nicholas defended. Ask for his intercession for your family and for our parish.

Men of Our Lady of Lourdes—this is your call to rise up and serve.

The Porters of Saint Joseph are forming a brotherhood of Catholic men committed to protecting our Church and strengthening our parish community. Inspired by St. Joseph, Protector of the Holy Church, we are answering the call to ensure that all who come to worship may do so in peace, safety, and reverence.

This is a call to action.

The Porters are not just volunteers—they are men of faith, courage, and service. Whether your background is in law enforcement, the military, emergency response, security, or you are simply a man with a servant's heart, there is a place for you here. Through structured training, teamwork, and prayer, Porters seek to model the strength, humility, and guardianship of St. Joseph.

Now is the time to step forward.

Stand watch over the House of God.

Protect the faithful.

Lead by your example.

Live out your Catholic faith in a mission that truly matters.

**Our first Training & Information Session will be held on
December 13th at 8:00 AM.**

If you are interested, please call the parish office at (623) 546-2767 or email Porters@lolscw.org with your contact information.

HAND CARVED IN BETHLEHEM

PLEASE STOP BY THE TABLES OF RELIGIOUS WARES (Nativity set, rosaries, statues, crucifixes, charms, etc.) AFTER ALL THE MASSES THE WEEKEND OF (December 20 & 21).

Ayman Khair is representing Christian families from the Holy Land. These families have been dependent upon sales of their hand carved religious articles to tourists of the Holy Land. Due to the conflict in the Middle East and the War tourism has been stopped completely.

It is very important to support them at this critical time since they have no income and there is no tourism at all. In order to survive, they have turned to Christian communities in the United States to purchase their articles.

These **hand carved religious articles are beyond description.** Carved from wood of the sacred Olive tree, this workmanship has been traditional for these families for hundreds of years. It is hoped that through the efforts of Mr. Khair, these families who have little income will be able to stay living and survive in the Holy Land.

Sadly enough, the Christian population dropped from 22 % to less than 2% in the last 20 years. Thank you in advance for your support.
